Agency Fee Report Fiscal Period July 1, 2015 - June 30, 2016

Based on the chargeable and nonchargeable expenses for the year ended June 30 2015, AFTNJ calculated the agency fee per capita for the 2016 – 2017 year to be as follows:

AFTNJ's Delegate Assembly approved per capita rates effective July 1, 2014.

July 2016 through June 2017	12 months @ \$10.00 = \$120.00
-----------------------------	--------------------------------

The estimated chargeable expenses for the 2016 - 2017 year are	\$120.00 * 85.00% = \$102.00
Therefore, non-chargeable expenses for the 2016 - 2017 year are	\$120.00 * 15.00% = \$18.00

The non-chargeable percentage is derived by dividing the expenses that are nonchargeable by the total expenses incurred.

This AFTNJ report must be combined with the AFT and your local reports and be provided to agency fee payers at least 30 days prior to the collection of the first agency fee for the school year 2016 – 2017 or the appropriate dues year for each Local.
